

Boys Don't Cry - The Cure

I would say I'm sorry if I thought [Verse]
That it would change your mind E F#m
But I know that this time G#m A
I have said too much, been too unkind

[Link]
(I) I try to laugh about it G#m F#m
(Cover it all up with lies/
Hiding the tears in my eyes) x2) G#m F#m

[Hook]
'Cause (boys don't cry - ... x2) E F#m G#m
A-A>G#m>F#m

I would break down at your feet
And beg forgiveness, plead with you
But I know that it's too late (So)
And now there's nothing I can do [Link]
[Hook]

I would tell you that I loved you
If I thought that you would stay
But I know that it's no use [Intro
And you're already gone away Hook]
(x4)

[Bridge] (B C#m7 x3) - A B
Misjudged your limits - Pushed you too far
Took you for granted
I thought that you needed me (more x3)

Now, I would do 'most anything
To get you back by my side
But I just keep on laughing [Hook] (x3)
Hiding the tears in my eyes [Intro - Rit]
