

(I was scared of (dentists and [Intro] (x2)  
the dark - .../pretty girls Fm D# G# G#  
And starting conversations) x2)

Oh, all my friends are turning green - ...  
You're the magician's assistant in their dream

[Pre-Chorus] Ooh (x5) - And they come unstuck

Lady, running down to the riptide [Chorus]  
Taken away to the dark side  
I wanna be your left hand man  
I love you - When you're singing that song  
(And) I got a lump in my throat  
'Cause you're gonna sing the words wrong

There's this movie that I think you'll like  
This guy decides to quit his job  
And heads to New York City  
This cowboy's running from himself - ...  
And she's been living on the highest shelf

[Pre-Chorus] [Chorus] [Interlude] G# G# G# G#

[Bridge] (x2) Fm Fm D# D# - G# G# C#M7 C#M7  
I just (wanna/gotta) (x2) know - ...  
(If you're gonna (x2) stay - .../  
I can't have it (x2) - Any other way)

Vance Joy
--------------

I swear she's destined for the screen - ...  
Closest thing to Michelle Pfeiffer  
That you've ever seen, oh

Riptide
---------

[Chorus] (x3) [Chorus - Last 2 lines] (Yeah)
