

You gotta know, I'm feeling love [Chorus]
Made of gold, I'll never love a D#m C#
'Nother one, another you G# B
It's gotta be love, I said it

([Chorus - Line #1] - ... x2) [Chorus]

I might as well be in a garden - ...
I said, uh, a smell in the air
is a dripping rose || Gold
You can be the one for me || Chet Faker
Another soul to be my void then - ...
Of anything there that's made of gold

A physical kiss is nothing without it - ...
And you close your eyes to see
what it's done - ...
The body that lies is built upon looking
... - Is all that remains
before it's begun [Chorus] (x2)

A heart will swell before it's hardened
... - With the flick of the hair
it can make you old - ...
Another hole to dig my soul in - ...
I'll leave anything bare [Link]
that keeps me sole [Chorus] (x3)
