

Beacon - Matt Duncan

[Verse] A#m7 D#7 G#M7 Fm [Intro] G# G#M7
I got friends in New York City G# Fm
Cos everyone I know left town
That's the place your day lit dreams go
Where you can't see the sun go down

[Chorus] A#m7 Cm7 Fm A# - A#m D#7 ()
Hold your head up, you're a beacon
(You pull me (northward) in my car)
(You don't have to hit the big time),
baby - We know who you are

[Intro]

I got friends in LA County
Where the hillsides shine like stars
And the people float like gold dust
Through the red rope district bars

[Chorus] (G# Fm) ((westward)) (...)

[Chorus] (G# Fm-X) (Don't let them think
you've come that far) (You were
always standing in the spotlight)

[Solo - Verse] (x2)

[Outro - Chorus - Arp] (G# Fm x8)
It's getting cold out on that big lake
And the water's painted blue
Don't let the skyline fool you, baby
You know what to do (x5)
