

((Bring it/sing it) back x4) to me [Chorus]
(x2)

When you are ready, I will surrender

Take me and do as you will

Have what you want to,

Sing It Back

way's always the best way - ...

I have succumbed to this passive sensation

Peacefully falling away

I am the zombie, your wish will command me

Laugh as I fall to my knees

[Chorus]

Can I control this empty delusion

(x2)

Lost in the fire below

And you come running, your eyes will be open

... - And when you come back,

I'll be as you want me

Moloko

Only so eager to please

My little song will keep you beside me

Thinking your name as I sing

[Chorus]

(Come (.../.../to my sweet melody) x6)

No, you can't help it,

if you have been tempted

[Intro]

By fruit hanging ripe from the tree

(x2)

And I feel useless,

D#m

don't care what the truth is

G#m

You will be here, come the day

Fm7-A#7

Truth, do you hear me,

D#m

don't try to come near me

So tired, I sleep through the lie

If you desire to lay here, beside me [Chorus]

Come to my sweet melody

(x3)
