

Black Hole Sun - Soundgarden

In my eyes, indisposed [Verse]
In disguises, no one knows G# B F# Fm
Hides the face, lies the snake E D# G# A-X
And the sun in my disgrace
Boiling heat, summer stench
Neath the black, the sky looks dead
Call my name through the cream
And I'll hear you scream again [Break] X

[Chorus] E D# G#-F# B - E D# (C# D#-X)
Black hole sun, won't you come
And wash away the rain
Black hole sun, (won't you come x3) [Break]

Stuttering, cold and damp [Intro]
Steal the warm wind, tired friend G# B
Times are gone for honest men F# Fm
Sometimes far too long for snakes E D#-X
In my shoes, a walking sleep X
And my youth, I pray to keep
Heaven sent hell away [Break]
No one sings like you anymore [Chorus] (x2)

[Chorus #2] (C# B D# - C# G#m D# x2) (x5)

[Interlude] (G#-G F# x6) - G#-X X

Hang my head, drown my fear [Verse]
Till you all just disappear G# B F# Fm-X - X

[Chorus] (x2) [Chorus #2] (x9) - G#-G F# G#
