

Girl, You'll Be a Woman Soon

[Intro] Gm [Arp] C F Gm

Girl - You'll be a woman soon

[Verse]

I love you so much, (Gm Gm F F x2)

can't count all the ways D# D#

I'd die for you girl and all

they can say is - He's not your kind

They never get tired of putting me down

and I never know when I come around

What I'm gonna find, don't let them

Make up your mind, don't you know

[Chorus] Gm C F Gm - Gm C F F

(Girl - You'll be a woman soon

(Please - Come take my hand/

Soon - You'll need a man) x2)

Urge
Overkill

I've been

misunderstood for all of my life,

but what they're sayin' girl, just

cuts like a knife - The boy's no good

Well, I finally found what I've been

lookin' for, but if they give

a chance, they'll end it for sure

Sure they would - Baby, I've done

all I could, now it's up to you
