

What's Up - 4 Non Blondes

Twenty-five years and my life is still
Trying to get up that great big hill
Of hope - For a destination
I realized quickly when I knew I should
That the world was made up
of this brotherhood - Of man
For whatever that means

[Pre-Chorus]

And so I cry sometimes when I'm lying in bed
Just to get it all out, what's in my head
And I, I am feeling - A little peculiar
And so I wake in the morning
and I step outside
And I take a deep breath and I get real high
And I scream from the top of my lungs
What's going on

[Chorus] (x2) [Intro]

And I said (hey, yeah, (yeah) x2) (x2)
I said hey - What's going on E E

[Link] F#m F#m

(Ooh, ooh - Oooohooohoo (x2) - ... x2) A A

And I try - Oh my God, do I try
I try all the time - In this institution
And I pray - Oh my God, do I pray
I pray every single day - For a revolution

[Pre-Chorus] [Chorus] (.../a-(yeah x3)) (x3~1)
