

[Verse] (D# C# x4) - (G# Bb x3)

I recommend getting your heart trampled on

To anyone, yeah, oh

I recommend walking around naked

You Learn

In your living room, yeah

Swallow it down, what a jagged little pill

It feels so good, swimming in your stomach

Wait until the dust settles

(You (live/love/cry/lose/ [Chorus] D# Cm7
bleed/scream), you learn x6) Bb G#

I recommend biting off more than you can chew

To anyone, I certainly do

I recommend sticking your foot in your mouth

At any ti-i-ime, yeah ohh, feel free

Throw it down, the caution blocks you

from the wind - Hold it up to the rays

You wait and see

when the smoke clears

[Chorus]
