

On the first part of the journey
I was looking at all the life
There were plants and birds and rocks and things
There was sand and hills and rings
The first thing I met was a fly with a buzz
And the sky with no clouds
The heat was hot and the ground was dry [Intro]
But the air was full of sound Bm A

I've been through the desert [Chorus]
on a horse with no name
It felt good to be out of the rain
In the desert, you can remember your name
Cos there ain't no one for to give you no pain

After two days in the desert sun A Horse
My skin began to turn red || With No Name
After three days in the desert fun America
I was looking at a river bed
And the story it told of a river that flowed
Made me sad to think

it was dead You see [Chorus] [Intro]
(x4)

After nine days, I let the horse run free
Cos the desert had turned to sea
There were plants and birds and rocks and things
There was sand and hills and rings
The ocean is a desert with its life underground
And a perfect disguise above
Under the cities lies a heart made of ground
But the humans
will give no love You see [Chorus] (x8)
