

[Verse] B-F# G#m E F# - B-F# G#m C#7 F#-F#7
B B7 E C#7 - B-F# G#m-E B-F# B

((Well/And) it ain't no use to sit and wonder
why, babe - (If an' you don't know by now/
It'll never do somehow) x2)

When your rooster crows at the break of dawn
Look out your window and I'll be gone
You're the reason I'm a-traveling on)
But don't think twice, it's all right - [Intro]

(And it ain't no use in (a-/...) turning on your
light, babe - (The light I never knowed/
I'm on the dark side of the road) x2)

But I wish there was something
you would do or say
To try and make me change my mind and stay
But we never did too much talking, anyway)

((So/And) it ain't no use in calling out my
name, gal - (Like you never done before/
I can't hear you anymore) x2)

I'm a-thinking and a-wondering,
walking down the road

Bob Dylan

I once loved a woman, a child, I'm told
I give her my heart but she wanted my soul)

(So loooooong, honey babe || Don't Think Twice

Where I'm bound, I can't tell [Intro]

Goodbye's too good a word, babe B-F# G#m E B
So I'll just say, fare thee well B

You could've done better but I don't mind
You just kinda wasted my precious time)
