

Until the philosophy [Intro] Fm D#7  
Which hold one race superior Fm D#7  
And another - Inferior  
Is finally - And permanently  
Discredited - And abandoned  
Everywhere is war - Me say war  
That until there're no longer  
First-class and second-class citizens  
Of any nation  
Until the color of a man's skin  
Is of no more significance  
Than the color of his eyes - Me say war  
That until the basic human rights  
Are equally guaranteed to all  
Without regard to race - E-dis a war  
That until that day - The dream of lasting peace  
World citizenship - Rule of international  
Morality - Will remain in but a fleeting illusion  
To be pursued - But never attained  
Now everywhere is war - War  
And until the ignoble  
And unhappy regime that hold our brothers  
In Angola - In Mozambique  
South Africa - Sub-a-human bondage  
Have been toppled - Utterly destroyed  
Well, everywhere is war - Me say war  
War in the east - War in the west  
War up north - War down south  
War, war - Rumors of a-war  
And until that day - The African continent  
Will not know peace - We Africans will fight  
We find it necessary - And we know we shall win  
As we are confident - In the victory  
Of (good over evil - Good over evil, yeah x4)
