 A little time with you is all that I get C# C#  
 That's all we need because it's all we can take Bbm Bbm  
 One thing I never see the same when you're 'round  
 I don't believe in him, his lips on the ground  
 I want to take you to that place in the Roche [Intro]  
 But no one gives us any time anymore C# C#  
 He asked me once if I'd look in on his dog Bbm Bbm  
 You made an offer for it, then you ran off Fm Fm  
 I got a picture of us kids in my head Bbm Bbm  
 And all I hear is the last thing that you said

[Pre-

 I didn't want to anymore, hoho ho Fm Fm

 And we will never be alone again, (x2) (.../) Instant  
 cause it doesn't happen everyday Fm C# Crush  
 Kinda counted on you being a friend, Bbm D# Daft Punk

 but I never really know where to go [Link] C# C#  
 So I chained myself to a friend, Bbm Bbm  
 (cause I know it unlocks like a (door)) Some more  
 again

It didn't matter what they wanted to see  
 You thought he saw someone that looked just like me  
 The summer memory that just never dies  
 We worked too long and hard to give it no time  
 He sees right through me, it's so easy with lies  
 Cracks in the road that I would try and disguise  
 He runs the scissor at the seam in the wall  
 He cannot break it down or else he would fall [Instru
