Dm Dm C C - G G7 E D F F CM7 CM7

Didn't know what time it was,

lights were low-ow-ow

I lean back on my radio-o-oh

Some cat was laying down some rock'n'roll,  
lotta soul, he said

Then the loud sound did seem to fa-a-ade

Came back like a slow voice

on a wave of pha-a-ase

That weren't no DJ that was hazy cosmic jive

Starman

[Chorus] (C Am Em-Em7 G-G7 x2) - F-Fm C-A Dm-G

(There's a) starman waiting in the sky

He'd like to come and meet us

but he thinks he'd blow our minds

There's a starman waiting in the sky

He's told us not to blow it

'cause he knows it's all worthwhile

He told me, let the children (lose/use) it (x2)

Let all the children boogie
