[Verse] C# Bbm G# G# [Intro] C# Bbm Fm X  
Telling myself I won't go there C# Bbm G# X  
Oh, but I know that I won't care  
Tryna wash away all the blood I've spilt - ...  
This lust is a burden that we both share  
Two sinners can't atone from a lone prayer  
Souls tied, intertwined by  
our pride and guilt

There's darkness in the distance C#M7 Bbm  
(From the way that I've been livin')  
But I know I (can't) resist i-i-i-(it)

[Chorus] C# Bbm Fm Fm  
Oh, I love it and I hate it at the same time  
You and I drink the poison from the same vine  
Oh, I love it and I hate it at the same time  
Hidin' all of our sins from the daylight  
((.../Runnin') from the daylight x4)  
Oh, I love it and I hate it at the same time

Tellin' myself it's the last time  
Can you spare any mercy that you might find  
If I'm down on my knees again - ...  
Deep down, way down, Lord, I try  
Try to follow your light but it's nighttime  
Please don't leave me in the end
