And I'm the last cowboy - In this town
Empty veins - And my plastic broken crown
They said I swam the sea - Then ran aground
They said I once was lost
But now I'm truly found
And I know the place but not the wave
I feel, I feel no shame
Oh, now mama, do you hear my [Pre-Chorus]

[Instru] F G Dm Em (x2)

[Bridge - Instru]

Then you threw your heart away
Oh, I know just what to say
Through the phone cord, it can wait
We've still got time to say
And I know you ran away
Oh, I know but I'm feeling okay
But now I found love and the feeling won't go
Now I found love but the feeling won't go
See you walk away,
feeling okay [Chorus] (x4)
Now, happy now [Intro] (x9) - Am
