Kept thinking I could never live Em7 Am7 D7 GM7
without you by my side CM7 F#m7 Bs4 B

But then I spent so many nights
thinking how you did me wrong
And I grew strong and I learned how to get along

And so you're back from outer space
I just walked in to find you here
with that sad look upon your face
I should have (changed that stupid
lock/made you leave your key) (x2)
If I had known, for just one second,
you'd be back to bother me

I Will Survive Gloria Gaynor

[Hook]

Go on, now go, walk out the door
Just turn around now 'cause you're not welcome anymore
Weren't ya the one who tried to (hurt) me with goodbye
Did you think I'd (crumble/lay down and die) (x2)
Oh no, not I, I will survive - Oh, as long as I know
how to love, I know I'll stay alive
((But/And) I've got (all my) (life to live/love to

I will survive, (hey, hey) [Instru]

Kept trying hard to mend the pieces of my broken heart
And I spent, oh, so many nights, just feeling
sorry for myself - I used to cry [Hook]

And you see me, somebody new [Break] X X
I'm not that chained up little person [Hook #2]
still in love with you ((break)) ((...))
