

Many Rivers to Cross - Jimmy Cliff

() Many rivers to cross [Verse]

But I can't seem to find C E7 F E7

My way over - ... F G C C

Wandering, I am lost

As I travel along

The white cliffs of Dover - ...

() Many rivers to cross

And it's only my will

That keeps me alive - ...

I've been licked, washed up for years

And I merely survived

Because of my pride F F C C

F F C C

[Bridge] F F C-E7 Am

And this loneliness F F G G-X

Won't leave me alone

It's such a drag - To be on your own

My woman left - And she didn't say why

Well, I guess I - Have to try

Many rivers to cross

But just where to begin

I'm playing for time - ... - There been

times, I find myself

Thinking of committing [Verse]

Some dreadful crime (Yes, I've got)
