Lovely lady, pretty as can be
No one knows her name, she's just a mystery
I have seen her, maybe once or twice
The one thing I can say is oh, she's very nice
She's a lady, one I really want to know
Somehow, I've got to let my feeling show

(She's fresh, fresh, exciting [Chorus]
(She's so exciting to me, ()/
(She's) so inviting to me, yeah) x2)

I've been thinking about the way you walk
Baby, uh, I like the way you talk
Tell you something I really can't hide
Heaven must have sent you to be by my side
Fresh and lovely, like a dream come true
I'll give anything to spend the night with you
What a feeling and I can't stop it, baby
Miss frisky lady, take me away

[Chorus]
Fresh as a summer breeze [Bridge] (yeah)
She'll take you by surprise (D E x3) ()
She means so much to me D E-C#
I'll do whatever to make her mine, baby

Oh yeah - ... - Oohh (la x6) - Baby, she's fresh
(She's fresh, she's so fresh, (fresh as a
