[Pre-Chorus]

You take my self, you take my self control
 You got me livin' only for the night
 Before the morning comes, the story's told
 You take my self, you take my self control
 Another night, another day goes by
 I never stop myself to wonder why
 You help me to forget to play my role
 You take my self, you take my self control

I, I live among the creatures of the night
 I haven't got the will to try and fight
Against a new tomorrow
 So I guess I'll just believe it,
 that tomorrow never comes
