

[Verse] (B B G#m G#m - C#m7 C#m7 E F# x2) - X

Look inside, look inside your tiny mind

Now look a bit harder

'Cause we're so uninspired, so sick and tired

Of all the hatred you harbor

So you say, it's not okay to be gay

Well, I think you're just evil

You're just some racist who can't tie my laces

You're point of view is medieval

[Chorus] (x2)

Fuck you (x2) very, very much - ...
