Down by the river [Verse] C#m C#m  
I was drawn by your grace E E  
Into tempest of oblivion B B  
And to the lovers' place F#m F#m  
I was stucked in a puddle  
Full of tears and unwise [Intro]  
Dark doings, now I know C#m C#m  
That we've paid unlike C#m C#m  
Honey, I know, hey  
When we walked, arm in arm  
I felt like we can throw away  
The falseness of our past  
And I know, too  
It's been the hardest days so you  
Let's throw them out the window  
That's what those  
lovers do [Instru] (x4)
