

You got me horny [Verse]  
In the morning and you kno-ho-how  
I try to call you - But I can't find the telephone  
I sent a message  
Through the Internet but it rejected  
I wrote a letter  
And I sent it with the po-ho-host  
The post, it takes so long  
So I've got to sing this song  
To let you know how I feel - What's the deal, baby  
And I can't wait for you  
And the things you make me do  
My heart is ringin' so I'm singin'  
This song for you
