

# Blue Monday - New Order

[Verse] (C-G Am x3) - D-G Am

How does it feel - To treat me like you do

When you've laid your hands upon me

And told me who you are

I thought I was mistaken [Intro] (x4)

I thought I heard your words C-G Am

Tell me (.../now) how do I feel (x2) D-G Am

Those who came before me

Lived through their vocations [Break] X X

From the past until completion [Intro] (x4)

They will turn away no more [Fill] C-G

And I still find it so hard Am

To say what I need to say

But I'm quite sure that you'll tell me

Just how I should feel today

[Intro] (x3)

I see a ship in the harbor [Break] X X

I can and shall obey

But if it wasn't for your misfortunes

I'd be a heavenly person today

And I thought I was mistaken

And I thought I heard you speak

Tell me (how do/now how should) I feel (x2)

And now I stand here waiting - ... - ... - ...

I thought I told you to leave me

While I walked down to the beach [Instru]

Tell me how does it feel [Intro]

When your heart (grows cold x3) (x16)
