

Lithium - Nirvana

[Verse] [Intro] A C#m F#m D - F G E G
I'm so happy - 'Cause today
I found my friends - They're in my head
I'm so ugly - That's okay
'Cause so are you - Broke our mirrors
Sunday mornin' - Is every day
For all I care - And I'm not scared
Light my candles - In a daze
'Cause I've found God

[Chorus] (Yeaheh, yeahh - ... x6) - Yeahh

I'm so lonely - That's okay
I shaved my head - And I'm not sad
And just maybe - I'm to blame
For all I've hurt - But I'm not sure
I'm so excited - I can't wait
To meet you there - And I don't care
I'm so horny - That's okay
My will is good [Chorus]

[Bridge] (D F D F x8) - G G E E
(I like it - I'm not gonna crack
I miss you - I'm not gonna crack
I love you - I'm not gonna crack
I killed you - I'm not gonna crack x2)
