

# A Perfect Day Elise - PJ Harvey

He got lucky, got lucky one time - ...

Hitting with the girl

in room five-o-nine - ... [Intro]

She turned her back on him, (x4)

facing the frame - ... F#m F#m

Said listen Joe, Bm Bm

don't you come here again - ...

White sun scattered all over the sea - ...

Could think of nothing

but her name Elise - ...

God is the sweat

running down his back - ...

The water soaked her blonde hair black

[Chorus] D D Em Em - F#m F#m Bm Bm

It's (a perfect day x2) - Elise

[Intro]

He got a-burned by the sun (x2)

He's a lucky man

His face so pale and his hands so worn

And the sky

Let himself in room five-o-nine

As she turned away

Said a prayer, pulled the trigger

and cried - Tell me why

[Chorus] (x2) [Intro] (x4)
