

Glory Box - Portishead

I'm so tired of playing [Verse]
Playing with this bow and arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress - Too long, just

Give me a reason - To love you [Chorus]
Give me a reason - To be - A woman
I just wanna be - A woman () - ...

From this time, unchained
We're all looking at a different picture
Through this new frame of mind
A thousand flowers could bloom [Chorus]
Move over [Solo]
And give us some room, yeah (x4)

So don't you stop - Being a man [Intro]
Just take a little look (x4)
From outside when you can Bbm G#
Sow a little - Tenderness Gm7 (F#M7)
