

[Verse] G Em G Em - C D G D - G C-D Em C  
I've heard there was a secret chord D B7 Em Em  
That David played and it pleased the Lord  
But you don't really care for music - Do you  
It goes like this, the fourth, the fifth  
The minor fall, the major lift [Intro]  
The baffled King composing Hallelujah G Em G Em

Hallelujah (x4) [Chorus] C C Em Em - C C G D - (G D)

Your faith was strong but you needed proof [Intro]  
You saw her bathing on the roof  
Her beauty in the moonlight overthrew you - ...  
She tied you to a kitchen chair  
She broke your throne, she cut your hair  
And from your lips she drew the Hallelujah [Chorus]

Maybe I have been here before  
I know this room, I've walked this floor Hallelujah  
I used to live alone before I knew you - ... Rufus  
I've seen your flag on the marble arch Wainwright  
Love is not a victory march  
It's a cold and it's a broken Hallelujah  
[Chorus]

There was a time when you let me know  
What's real and going on below  
But now, you never show it to me - Do you  
And remember when I moved in you  
The Holy Dark was moving too  
And every breath we drew was Hallelujah [Chorus]

Maybe there's a god above  
And all I ever learned from love  
Was how to shoot at someone who outdrew you - ...  
And it's not a cry you can hear at night  
It's not somebody who's seen the light [Chorus]  
It's a cold and it's a broken Hallelujah (/G) (x2)
