(And here's to you), misses Robinson
Jesus loves you more than you will know - Wowowoh
... - God bless you please, misses Robinson
Heaven holds a place for those who pray
(Hey hey hey x2)

We like to know a little bit
About you for our files
We like to help you learn - To help yourself
Look around you, all you see - Are sympathetic eyes
Stroll around the grounds
Until you feel at home [Chorus]

Hide it in a hiding place - Where no one ever goes
Put it in your pantry - With your cupcakes
It's a little secret - Just the Robinsons' affair
Most of all you've got
To hide it from the kids [Chorus] (Kookoo kachoo)

Sitting on a sofa - On a Sunday afternoon
Going to the candidates' debate - ...
Laugh about it, shout about it
When you've got to choose
Any way you look at it, you lose

Mrs. Robinson Simon & Garfunkel

Where have you gone, Joe DiMaggio
A nation turns its lonely eyes to you - Woowoowoh
... - What's that you say, misses Robinson
Joltin' Joe has left and gone away - (Hey x3) (x2)
