

Cyclone - Sticky Fingers

[Intro] B B C#m C#m - D#m D#m C#m C#m

Here comes a story of a hurricane - ...
And a temper lost like crying tears in rain ...
No love is lost or no sweet wisdom gained - ...
So save your tears then save
yourself the shame

[Hook] B B C#m C#m>Dm - D#m D#m>Dm C#m C#m

(Ooh), cyclone - ...

You're on your o-oh-own [Intro]

As we left the house and took a step outside
... - I could taste in the air a familiar
sense of pride - ...

And the wind, it blows, as you held
your head up high - ...

Then I saw the clouds draw storms [Hook]
into your eyes (Oh/) (x2)

He's my man but said don't break him bones
Out in the fire, won't leave it alone
It was bent and I was unable
to pull him inside - ...

So burn down them bridges, dig up them bones
What's that you got 'cause I'll have
one of those

Darcy, I could never hate ya - If I tried

[Hook] (/...) (x2) [Link] (E E E E - B B B B

[Hook] (Oh) [Outro] B - Oh, cyclone x4)
