[Hook] (x2) Dm Dm F BbM7 - G G Dm Dm

Shout, shout, let it all out

These are the things I can do without

(Come on, I'm talking to you/...) x2)

In violent times [Verse] F F G G

You shouldn't have to sell your soul

In black and white

They really, really ought to know

Those one track minds

That took you for a working boy

Kiss them goodbye - (You shouldn't have

to (jump for joy/...) x2)

[Chorus]

They gave you life

And in return you gave them hell

As cold as ice - I hope we live

to (tell the tale/...) x2) [Chorus]

(x2)

[Link] (Dm Dm G G x3) - Dm Dm [Chorus]

...  
And when you've taken down your guard

If I could change your mind

(I'd really love to

(break your heart/...) x2) [Chorus]
