

Dear, I feel we're facing a problem [Verse]  
You love me no longer, I know Em Am D GM7  
And maybe there is nothing Em Am D G-E  
That I can do to make you do  
Mama tells me I shouldn't bother  
Said I ought to stick to another man  
A man that surely deserves me - I think you do

[Hook] Am-F#7 B - (E-A F#m-B x4) [Intro]  
So I cry and I pray and I beg Em Em  
Love me, love me, say that you love me  
Fool me, fool me, go on and fool me  
Love me, love me, (pretend that you love me)  
Leave me, leave me, just say that you need me

[Chorus] C#m F#m B E-A>B - (E-A F#m-B x2)

I can't care 'bout anything but you

[Intro]  
Lately, I have desperately wondered  
Spent my nights awake and I wonder  
What I could have done in another way The  
To make you stay Cardigans  
Reason will not teach a solution Lovefool  
I will end up lost in confusion  
I don't care if you really care [Hook]  
As long as you don't go [Chorus]
