

I don't know what you're looking for
You haven't found it, baby, that's for sure
You rip me up, you spread me all around
In the dust of the deed of time [Ri-

And this is not a case of lust, you see
It's not a matter of you versus me
It's fine, the way you want me on your own
But in the end, it's always me alone [Riff]

My heart is black and my body is blue (x3)
