

You were working as a waitress [Verse] C C D D
In a cocktail bar - When I met you - ...
I picked you out, I shook you up
And turned you around
Turned you into someone new - ...
Now five years later on
You've got the world at your feet
Success has been so easy for you - ...
But don't forget, it's me who put you
Where you are now
And I can put you back down too [Hook]
