

I was Cleopatra [Verse] D# D# G# D# - G# D# Bb Bb  
I was young and an actress  
When you knelt by my mattress - And asked for my hand  
But I was sad you asked it  
As I laid in a black dress  
With my father in a casket - I had no plans

[Intro]

And I left the footprints  
The mud stained on the carpet  
And it hardened like my heart did - When you left town  
But I must admit it  
That I would marry you in an instant [Intro]  
Damn your wife, I'd be your mistress (x2)  
Just to have you around D# D# D# D#

(But I was) late for this, late for that [Chorus]  
Late for the love of my life D#-Bb G#-D#  
And when I die alone, when I die alone G#-D# Bb  
When I die I'll be on time

Hahaa [Break] X

And while the church discouraged [Intro]  
Any lust that burned within me  
Yes, my flesh, it was my currency - But I held true  
So I drive a taxi - And the traffic distracts me  
From the strangers in my backseat  
They remind me o' you [Chorus] [Fill] Bb
