

Well, someone told me - Yesterday [Verse]
That when you throw - Your love away G D
You act as if - You just don't care Em C
You look as if - You're going somewhere
But I just can't - Convince myself
I couldn't live - With no one else
And I can only - Play that part
And sit and nurse - My broken heart

So lonely (x4~3~3~2) [Chorus]

So Lonely The Police

Now, no one's knocked - Upon my door
For a thousand years - Or more
All made up - And nowhere to go
Welcome to this - One-man show
Just take a seat - They're always free
No surprise - No mystery
In this theater - That I call my soul
I always play - The starring role
