

# Starlight - The Supermen Lovers

[Intro] (G D# Cm G x4) - (G G G G x4)  
(G D# Cm G x2)

[Verse] G D# Cm G  
The sun is rising up on the east side  
A chance for everyone - I've been  
dreaming of the city for a long time  
Far from my hometown

[Pre-Chorus]  
I see my dream - For real, come true  
I will, will rise - Above the rules  
(Heart is pure and thoughts are clear  
Not gonna mess around  
Mum and daddy would be so proud  
City, please don't let me down)

[Chorus] (x2)  
(.../And) Starlight, can you give me the fame  
Can you tell me the game, oh Starlight  
Star-light - Has what you need

The time has come for me to be someone  
A rich man, a superstar  
And faith is all we need to be the one  
Far from my own ground

[Pre-Chorus] (Love release our mind  
You are what we want  
Time is taking life - You are what we need)

[Chorus] (x4) [Instru] (x8) [Chorus] (x16)
