

# Habits Stay High - Tove Lo

I eat my dinner in my bathtub [Verse]  
then I go to sex clubs F Am  
Watchin' freaky people gettin' it on F C  
It doesn't make me nervous,  
if anything I'm restless  
Yeah, I've been around and I've seen it all  
I get home, I got the munchies,  
binge on all my Twinkies [Intro]  
Throw up in the tub then I go to sleep F Am  
And I drank up all my money, F Am  
tastin' kind of lonely Oh oh (x3)

You're gone and I got to stay [Chorus]  
(High all the time to keep you off F Am  
my mind - Ooh ooh, ooh ooh x2) C C  
Spend my days locked in a haze,  
tryin' to forget you babe  
I fall back down, gotta stay  
High all my life to forget I'm missing you  
Ooh ooh, ooh ooh

Pick up daddies at the playground,  
how I spend my daytime  
Loosen up the frown, make 'em feel alive  
I'll make it fast and greasy,  
I'm numb and way to easy [Chorus]

Stayin' in my play pretend where the [Bridge  
fun ain't got no end - Oh, ooh Chorus]  
Can't go home alone again, need (x2)  
someone to numb the pain  
(Oh, ooh ooh/...) [Chorus] Oh oh
