You know, what is to be, I know it must have to be

All I got to do is work diligently

Set my goals in life and strive progressively

Slowly but surely, victory is for me

Oh I, I have ya obtain di highest order

Never give up, never retreat, nah surrender

I sew good seeds so I know I have to prosper

Many mountains to climb,

oh, I shall get over [Chorus] (x2)

[Verse #2]

Well, a long time me deh yah and me well want a bligh

A long time me deh yah, you think I know, I a-try

I'll never give up the faith, Jah know the reason why

His works have to be done so I got to comply, Jah say

From you fail, yo, just try again

And if you fail once more, you better try again

Jah say once there is a light, there is way my friend

Rastafari a-the head so we have to set good tread

You know, I have to work, work, work

In order to achieve my goals

You know, I have to work, work, work

Tafari bless my heart, mind and soul
